Maximising impact and footfall every time.

Perfect for trade shows, fairs, and conventions, Plymouth Arena is a blank canvas ready for your vision. Spacious, flexible, and built to impress, the space can be configured for events of any scale. From modular shell schemes to open-plan layouts, exhibitors can showcase products in style, with comfort, and without compromise.

Centrally located in the heart of the city, the Arena ensures maximum visibility and easy access for visitors and suppliers alike, while streamlined logistics take the stress out of setup and breakdown.

With room for up to 80 modular shell scheme units (3m x 2m), wide, accessible aisles, and custom layouts, we can tailor the space to suit local independents, national brands, or anything in between.
