POLICY STATEMENT

At the Plymouth Arena, we recognise our responsibility to protect the environment and are committed to operating in an environmentally sustainable manner. Our policy is designed to minimise the impact of our activities on the environment, while promoting awareness and sustainability.

SCOPE

This policy applies to all employees that work for Plymouth Arena.

POLICY

The Environmental Policy is central to the way we operate and as such, the overall responsibility for its implementation rests with the Client Services Manager and the Senior Leadership Team.

This policy provides a framework for setting and reviewing environmental objectives and ensures that our activities contribute positively to the local community and broader environment.

COMPLIANCE

We will comply with all relevant environmental legislation and strive to exceed regulatory requirements where possible.

ENERGY & WATER EFFICIENCY

We will reduce energy and water consumption through efficient practices, maintenance, and the use of sustainable technologies where feasible.

WASTE MANAGEMENT

We aim to reduce, reuse, and recycle waste generated by our operations, encouraging sustainable practices among staff, suppliers, and visitors.

SUSTAINABLE PROCUREMENT

We will seek to purchase products and services that have minimal environmental impact, prioritising local and sustainable suppliers.

TRANSPORTATION

Where possible, we will look to promote the use of public transport, cycling, and car sharing among our staff, performers, and visitors to reduce carbon emissions.

AWARENESS AND ENVIRONMENTAL GROUP

We will raise awareness of this policy and set environmental goals amongst staff, in the form of an Environmental group. Members of this group will be responsible to raise any environmental concerns and communicate updates with the wider team. If you would like to join the group, please email the Client Services Manager.

CONTINUOUS IMPROVEMENT

We will monitor our environmental performance and set realistic objectives and targets to improve over time.

RESPONSIBILITY

All staff and partners working at or with Plymouth Arena are expected to support the implementation of this policy. The Client Services Manager holds overall responsibility for ensuring this policy is upheld.
